To Whom It May Concern

Subject: Testimonial Letter for EMG Consulting and Elias Melake Foundation (EMF)

It is with great pleasure that Bahir Dar University provides this testimonial for Elias Melake Foundation (EMF) and EMG Consulting. Over the past four years, we have had the privilege of partnering with EMF and EMG Consulting on the SAFA Ethiopia project, which has significantly advanced higher education and professional development within our institution.

Since signing a Memorandum of Understanding in October 2021, Bahir Dar University, EMG Consulting, and EMF have successfully collaborated on various initiatives, including scholarship support for PhD students, curriculum development, and accreditation of PhD courses in Logistics and Supply Chain Management (LSCM), research and publication, conferences, workshops, round table discussions, and training of trainers (ToT). EMG Consulting's unique services and support are unparalleled in Ethiopia. Their comprehensive approach, including financial support, curriculum development, research promotion, and professional development, sets a benchmark for excellence. We strongly encourage EMG Consulting to extend its valuable services to all universities in Ethiopia, as their commitment to education, research, and professional development can significantly benefit the entire academic community in our country.

Beyond the scope of the SAFA Ethiopia project, EMG Consulting has made significant contributions by establishing the partnership on the project, providing consultation to the University, delivering job readiness and business communication workshops for our students, delivering guest lectures on selected topics, and offering valuable internship opportunities in various government and private sector organizations in the country. These efforts have greatly enhanced the employability and professional preparedness of our students. The partnership has created a dynamic and impactful educational experience for our faculty, staff, and students.

Thank you for your continued support and collaboration, and we look forward to further strengthening this partnership.

Best Regards,

Mengesha Ayene Ejigu
